- Overview of Course to be covered.

IIBA

- IIBA[®] is the non-profit professional association dedicated to the field of business analysis. Through a global network, IIBA connects over 29,000+ Members.
- IIBA[®] is the leading global organization providing networking, learning and resources to the global business analysis (BA) community. IIBA continues to uphold the highest standards of practice for the BA profession.
- This is world's most recognized **certification** in the world.

Types of IIBA certification

- **Level 1 ECBA- Entry certificate in business analysis.**
Recognizes individuals entering the field of business analysis.
- **Level 2 CCBA-Certification of capability in business analysis**
Recognizes BA professionals who have 2-3 years of BA experience.
- **Level 3 CBAP- Certified business analysis professional**
Recognizes BA professionals who lead and have over 5 years of BA experience.
- **Level 4 CBATL- Certified business analysis thought leaders.**
Recognizes BA professionals who advance the BA profession and have over 10 years of BA experience.

Advantages of CBAP

- Competence in the principles and practices of business analysis.
- Recognition of professional competence by professional peers and management.
- Certification can improve overall performance, remove uncertainty and widen market opportunities.
- The process of achieving and maintaining certification helps ensure you are continually improving and refining your activities.
- Potentially higher income for being formally recognized as an experienced BA professional.
- For more details on salary survey log in-
